Wolfgang KLOSE has been visiting a Heilbad in Berlin run by LETTAU and @KUTZBACH finds this suspicious in view of LETTAU's background. Nevertheless, even though @KUTZBACH isn't certain that Subject is meeting with LETTAU, he's asking for info. Subject hears his call signal every week "KAU, KAU, KAU", but nothing else. KLOSE has been transferred to an Amtsgericht in Berlin away from his old position, and he no longer has anything to do with occupation statutes. UPHILL is keeping KLOSE under close surveillance, and may turn the matter over to the LfV.
